Dusseldorf, 14 June 2022. Today, the supervisory board of fashionette AG ([ISIN DE000A2QEFA1](#) / [GSIN A2QEFA](#)) (the “Company”), a leading European data-driven e-commerce group for premium and luxury fashion accessories, appointed Georg Hesse as the Company’s new Chief Executive Officer (CEO).

Georg Hesse is a highly experienced e-commerce leader, who combines a track record of driving growth and scaling business with an unwavering commitment to customer-centricity and innovation.

Most recently, he was Vice President at Thrasio, a global consumer goods company specializing in buying and scaling brands on the Amazon marketplace and one of the largest Amazon sellers globally. Georg Hesse was responsible for building Thrasio’s European and Indian businesses and was a member of the global Executive Team.

Prior to this, Georg Hesse was CEO of HolidayCheck Group AG, one of Europe’s leading digital firms for recreational holidays. Georg Hesse started his e-commerce career as part of the founding team of Amazon Germany, where he spent 16 years and became a Director Home Living, Home & Major Appliances and Toys.

“We are pleased to welcome Georg as new CEO of fashionette AG. Georg has considerable e-commerce experience in publicly traded companies and a consistent track record of delivering exceptional results. He brings a passion for building winning teams and creating a customer-centric culture while driving innovation and delivering against operational goals. We wish him all the best on his next steps.”

“I am very pleased to join fashionette AG as of 1 July. The potential is enormous and together with Thomas Buhl and the well-established team we will successfully develop the company, inspire our customers with our services and convince our shareholders with good results,” says Georg Hesse.
